

PRESS RELEASE

Issue date: Friday 22 Sept 2017

“PHENOMENAL” TSB LOCAL CHARITY PARTNERSHIP REAPS REWARDS

The Freddie Farmer Foundation is £261.86 better off thanks to a local charity partnership with TSB Bromley.

The funds were raised from individual donations and events, including cake and bake sales.

“Every year we choose a local charity to support,” said Bank Manager, Farhan Asghar, “and last November we chose to support the Freddie Farmer Foundation.

“It was an easy choice for us, the work they do with disabled children is amazing. They’re a local charity, they’re ‘human’ and the work they do is phenomenal. They do an amazing job supporting disabled children in the local area.”

Every single TSB branch and office site, supported by local customers, has got behind the local charity programme and partnered with a local charity, club or society that serves their community.

TSB has moved away from the traditional, centrally chosen "charity of the year" adopted by mainstream banks and large organisations. Instead, TSB gives its Partners the freedom to pick their own Local Charity Partner based on the needs of their local community.

Charity officer, Karen Smith, said: “I'd really like to thank all the TSB Bromley staff and customers who have taken part and raised much-needed funds for our cause. It's so appreciated.”

The Freddie Farmer Physiotherapy Centre on Elliott Road near Bromley Common supports children with a variety of physical disabilities and from all backgrounds to take physical therapy to a whole new level.

The state-of-the-art centre provides high quality specialised physiotherapy and support services for children with cerebral palsy and mobility problems, as well as providing support for their families and carers.

ABOUT FREDDIE FARMER FOUNDATION

The Freddie Farmer Foundation physiotherapy centre opened in April 2015 to provide intensive physiotherapy programmes for disabled children. The centre is one of a handful of independent UK therapy centres offering specialist equipment and therapeutic exercises, supporting disabled children from all over London and the South-east.
