Issue date: 07 October 2016

## DIRECT DEBIT GIVING

Freddie Farmer Foundation supporters can now make a regular donation of £5, £10 or any other amount via monthly Direct Debit.

Direct Debits are easy to set up and manage, so you are always in control of your donations.

For the charity, they make it easier to plan for the long term and help reduce admin costs.

Setting up a Direct Debit to Freddie Farmer Foundation only takes a few minutes and you can cancel or change your Direct Debit Instruction at any time.

### Your monthly donation

All Instructions are supported by the Direct Debit Guarantee. In order to set up a Direct Debit online you must be the account holder of a personal or business bank or building society account.

### Need to know

Your first donation will be collected on your chosen 'monthly donation date'. If your chosen date falls after the 20th of the month, your first donation will be collected the following month.
